

# STOCKHOLM

## SWEDEN

# ***THE CAPITAL OF SWEDEN***

## **INTERESTING FACTS ABOUT THE CITY**

At first glance the city seems to be flooding as it is built on 14 islands regarding with 1/3 of the mainland.

Stockholm became the **capital** 750 years ago.

**Nobel Prizes** have been given in Stockholm since 1901

The city has almost 70 museums and it is one of the richest cities in the world.

**In winter the weather gets dark at 14:30 and the sun rises at 9:00. In summer the weather gets dark for only 1 or 2 hours.**
